Summer is here and it's time to take that much needed vacation. You have your flights booked and your entertainment tickets purchased, but have you thought about your transportation needs? Oakmont Executive Transportation has.

With services throughout the world, Oakmont can get you to your vacation home in Newport Beach, your preferred airport, your cruise terminal or your Staycation destination in comfort and style. By simply e-mailing your itinerary or calling Oakmont's 24-hour customer service, you can book a luxury vehicle to not only get you to the starting point of your vacation, but once you arrive at your destination, they can have a driver waiting to take you to your hotel or first dinner reservation.

Sometimes the most taxing part of a vacation is navigating your way through the streets of an unfamiliar area. Because of this, Oakmont also offers the convenience of booking the transportation for your entire trip for you. Whether you have tickets to the ball game, a shopping trip planned with your girlfriends or if you would like to just take a tour of your location, Oakmont offers the convenience of professionally trained chauffeurs who know the areas in which they service.
