YOUR WEDDING TRANSPORTATION EXPERTS

By Christina Lara

When planning a wedding, it can seem like there are a million and one tiny details to take care of. You have the venue, the attire, the food, the cake, the photographer, and the DJ, but what about transportation for the happy couple or their guests who have come in from out-of-town? Often transportation can be left to the final stages of the planning process, but it is one of the most vital aspects of the big day. Oakmont Executive Transportation, a premier executive and leisure ground transportation company for all of Los Angeles, offers a wide array of services for not only the day of the wedding, but the week of as well.

Some brides like to schedule a spa day for herself and her bridesmaids the week of the wedding. Start the day with some mimosas and a delicious brunch, and Oakmont can arrange a chauffeur to take the bridal party anywhere they need to go for the ultimate day of relaxation.

Couples with guests coming in from out-of-town can schedule airport transportation to and from the airport and hotel through Oakmont. Shuttle or van service can also be arranged for the day of the wedding to ensure that all guests are taken care of.

The final and most important component of transportation for every couple's big day is their own chauffeur. Not only does it set the tone of excitement for the guests to see the bride and groom pull up to their venue in their limo or town car, but that trip from the wedding venue to the reception can also serve as a small escape for the happy couple to enjoy and reflect on everything that got them to where they are that moment. Oakmont's exceptional customer service, large fleet of vehicles and experienced professional chauffeurs are sure to turn any bride and groom's vision into a reality on their special day.
