

# THE RIDE OF A LIFETIME

By Justin Kibbe

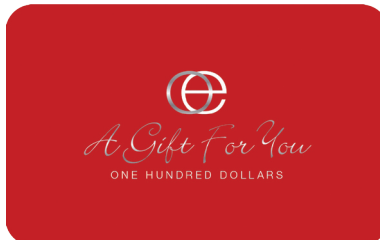

**B**achelor and bachelorette parties are a rite of passage as much as they are a party. They mark the transition from a single independent lifestyle into the commitments of married life. Camaraderie and celebration are essential. Men may go out to sporting events, play sports themselves or head out for a hike in the woods. Women enjoy days at the spa, shopping trips or head off to a restaurant for a gourmet dinner. And both may enjoy a lively evening visiting their favorite clubs or entertainment destinations.

What better way to aid that celebration than with a ride of a lifetime! There's an endless list of destinations for you and your best friends to benefit from Oakmont Executive's transportation services. For 17 years Pasadena Foothills bachelors and bachelorettes have looked to Oakmont Executive Transportation for their transportation needs throughout their engagement and wedding activities.

Owner Sue Lynch prides herself on an unbeatable selection of ultimate luxury vehicles – even the pickiest of brides (or grooms) are sure to find the perfect vehicle to suit their tastes. The knowledgeable, well-groomed, professional, and courteous chauffeurs will transport you and your bachelor or bachelorette party everywhere you want to go, and you won't need to make one of your friends be the designated driver. Just imagine the perfect evening out on the town; you'll get everything the way you want it! Whether the weather is hot or cold, you'll be partying in climate-controlled luxury. Chauffeurs will also make sure each passenger gets safely from the vehicle to their residence. They are also great listeners, and are happy to assist with any special requests.
